

Trailers and open backed vehicles

For householders using trailers, or for inert waste not presented in bags, the following charging policy shall apply:

- Trailers up to 1 metre in length - £17.50*
- Trailers up to 2 metre in length - £35.00*
- Trailers up to 3 metre in length - £52.50*

Open backed vehicles (i.e. pickups) would be charged as above dependent upon size of carrying area. The use of greedy boards may result in additional charges.

Access Policy

The council operates an access policy at all its recycling centres. The access policy helps to reduce congestion, increase safety and prevent trade waste being deposited illegally. The recycling centres will only accept waste delivered by:

- A car
- A van with no more than 4 wheels**
- A trailer up to 3m long

**For the purposes of the permit scheme a van is:

- Any vehicle without side rear windows
- Any flatback vehicle
- Any pickup vehicle

Please be aware that usage of Lancashire's recycling centres may be monitored and suspected abuse will be investigated.

Please remember that trade waste is not accepted at any of Lancashire's recycling centres.

*Charges will be reviewed annually

Recycling construction and demolition (inert) waste?

www.lancashire.gov.uk/waste

From the **1 June 2015**, you will need an inert waste permit to deposit construction and demolition (inert) waste, free of charge at our recycling centres.

What is inert waste?

The items below are examples of inert waste that you can deposit in the inert waste or plaster and plasterboard containers at your local recycling centre. If you are unsure if your waste is inert please ask a member of staff.

- Ash
- Bath
- Bathroom sink and pedestal
- Bidet
- Bricks
- Ceramics
- Chimney pots
- Clay
- Concrete
- Concrete fence post
- Flag stones
- Floor tiles
- Glass
- Hardcore
- Kitchen sink
- Lintel
- Plaster
- Plasterboard
- Plate (Flat) glass
- Roof tiles
- Rubble
- Sand
- Slates
- Soil (all types)
- Stones
- Tarmac
- Tiles
- Toilet base
- Toilet cistern
- Turf

What can I recycle with my inert waste permit?

Your free inert waste permit will allow you to deposit ten bags or equivalent single items of inert waste each calendar year.

- The maximum dimensions of a bag is 600 x 900mm
- The maximum dimensions of a sheet of plasterboard is 2400 x 1200mm
- An equivalent single item could include a toilet, sink or pane of glass

How can I apply for an inert waste permit?

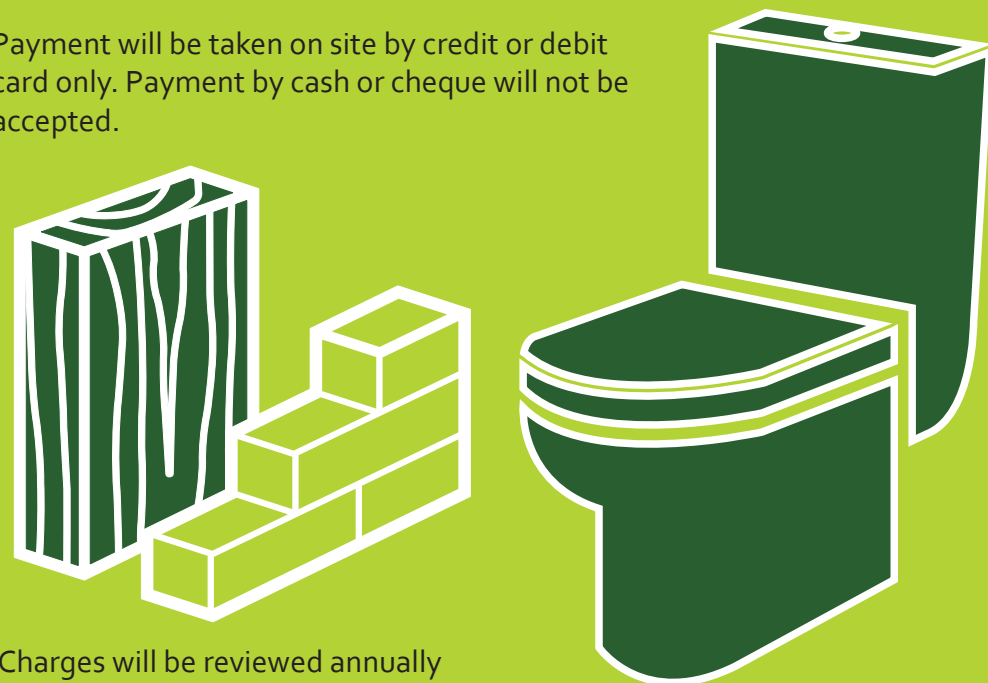

You can request a free inert waste permit online from 1 April 2015 by registering with Lancashire Online via our website www.lancashire.gov.uk/waste or by calling **0300 123 6781**.

If you don't have an inert waste permit, or if you have additional inert waste, you have the option of using the pay-as-you-throw service at the recycling centres.

Pay-as-you-throw

The current pay-as-you-throw charges are £3.50* per bag or equivalent single item.

Payment will be taken on site by credit or debit card only. Payment by cash or cheque will not be accepted.

*Charges will be reviewed annually
