

Local Help

There has been so much done to try to help local families who have found this year particularly difficult. ITNC would like to say a big thank you to the many helpers, volunteers and support workers in Ingol and Tanterton who have made a big difference in 2020 - and every year.

For anyone who may be finding things hard - particularly with winter now upon us - you may want to contact Intact for help. See their contact details to the right here. They also offer very cheap prepared meals which could help busy parents to provide an easy, healthy and affordable hot meal.

If you know of anyone who is in particular difficulty, please point them towards Intact for help. Or if you think they may need the help of the local foodbank, this is run from Holy Family Church on Redcar Avenue. Please contact Intact for details on how to access the foodbank if it is needed for you or someone you know.

See page 2 for more local help from TVC

Your Councillors

New Councillor Co-Opted

With Ingol & Tanterton Neighbourhood Council meetings currently being held online due to social distancing regulations, Sharon Zdan-Michajlowicz was co-opted to the Council at September's meeting. Sharon said:

"I have lived in Ingol for over 24 years, bringing up my family of four children within the community. My background is working on the front line of addiction recovery services. This experience has contributed to my passion around empowerment, and building connections with individuals and linking communities. Supporting the growth of sustainable communities that reflect the voice of those who live within the locality."

West Ingol & Tanterton Ward

Reporting Back

December 2020 December 2020 December 2020 December 2020 December 2020 December 2020

Operation Dismount Underway

Following increasing complaints about anti-social behaviour relating to motorbikes, quad bikes and other similar vehicles, Preston Police are launching 'Operation Dismount'. This will target particular areas of the city which have had persistent problems with this behaviour - which includes parts of Ingol and Tanterton.

Police have asked that if you are aware of vehicles such as motorbikes, dirt bikes, or quad bikes abusing roads, footpaths or green spaces like Tanterton Green or the former golf course, to please report this by calling 101 or emailing opdismount@lancashire.pnn.police.uk. If you are able to provide a description or photo (only if it is safe to do so) this would also help their ongoing investigations.

Please be patient as it will take time for this to take effect. The more reports you are able to provide, the more effective the operation will be.

In the meantime, Ingol & Tanterton Neighbourhood Council are continuing to cooperate with the police in finding other ways to help reduce anti-social nuisances across our community.

Thank you in advance for your help as we work to make our neighbourhood safer for the future.

Clean Up

If you would like to help make Ingol and Tanterton a wonderful and clean place to live, consider joining the Preston Green Volunteers! Get involved with local litter picks to help keep our community tidy. Follow [/PrestonGreenVolunteers](https://www.facebook.com/PrestonGreenVolunteers) on Facebook or contact Rebekah Stevenson, the Environment Volunteer Officer at Preston City Council on 01772906919 or R.Stevenson@preston.gov.uk to find out more about what is happening and when.

Top Tips for Ingol & Tanterton

1. Place disposable masks and gloves in a bin after use. Breaking the straps first.
2. Inconsiderate dogs leaving poop outside your house is extremely annoying. You can report issues to Preston City Council online or by calling 01772 906900. If you know the times it regularly occurs or the breed of dog this can help the do warden. Please clean up after your dog - or help clean the pavement outside your home, even if only to stop others walking in it. Thank you!
3. Litter is on the increase! There are bins about the local area. Please use them and encourage others to use them too. Help keep our community looking tidy .
4. News of a Covid vaccine is great. Keep an eye on local news for when there is a local vaccination centre.
5. Remember the virus is still active - especially in winter. Keep safe, keep your distance, and wear masks in local shops (unless exempt). Be careful but have a lovely Christmas and we hope we will beat Covid in 2021!
6. Love thy neighbour and remember your Neighbourhood Council is here for you.
7. The Co-Op supports communities. Intact Centre and Peer Talk are two local causes that you can choose to share your community contributions with using the Co-Op app.

Parking Outside Sainsbury's

Please note that double yellow lines are now in force opposite Sainsbury's by the Guild Merchant pub - and that this is being enforced.

Ingol & Tanterton Neighbourhood Council are seeking more regular enforcement patrols from Lancashire County Council, and also considering further measures to stop parking here.

Please ensure that you follow the parking restrictions if driving to shop here and let your friends and family know that the double yellow lines are enforced. Parking here is dangerous and has already been the cause of at least one accident where a child was hurt.

Tanterton Village Centre Help

Dean and Ryan at Tanterton Village Centre kindly donated their time and cooked some delicious home-made food on Thursdays to the most in need and vulnerable people within our community.

The Hub & Cafe is based inside the Tanterton Village Centre. It is also the location of our Monday Food Club, where Dean and his team have been helping unconditionally since the first lockdown began back in March. If you are in need of a hot meal and are over retirement age, or if you know someone suffering from food poverty due to Covid-19 restrictions, then please send a message to Community Owned or contact Tanterton Village Centre on 01772 727072 or ryan@tantertonvillagecentre.org.uk. Alternatively you can get in touch via our Facebook or Nextdoor pages.

A big thank you to not only Dean & Ryan but also Christine from Preston "Here For Humanity" for delivering these meals. See the back page for other help in the local area from Intact

2021 Budget and Precept

Ingol and Tanterton Neighbourhood Council have agreed the budget for 2021, which includes setting what the precept (added to your council tax) will be for next year. Following such a difficult year for many, councillors agreed that the precept should be frozen at the current level.

The budget for 2021 will also help to support our two excellent local community centres, Intact and Tanterton Village Centre - both of which have played a critical role in helping many local residents through this difficult year. There is also money set aside to help protect Tanterton Green from anti-social behaviour and to help fund next year's Christmas celebrations. You may have seen that the Christmas trees at least are up this year to help the festive spirit, even though we have been unable to hold our usual Christmas event.

Ready, Steady, Census

The decennial census is almost upon us.

Households across Preston will soon be asked to take part in the nationwide survey of housing and the population. It has been carried out every decade since 1801, with the exception of 1941.

Information from the digital-first census will help decide how services are planned and funded in your local area. This could mean things like doctors' surgeries, housing or new bus routes.

Households will receive a letter with a unique access code in the post, allowing them to complete their questionnaire online. Paper questionnaires will be available on request. Census day is March 21.

For more information, visit census.gov.uk

Local Survey

In 2021 ITNC will also be asking for your input into how we can help improve the community here in Ingol and Tanterton. Please look out for more information in the new year and on our Facebook page and website. The more people take part - the better we can help to serve you going forward.

Thank you in advance for having your say!

PACT Corner

The local PACT (Police and Communities Together) is continuing to operate - but we are unable to hold our regular meetings until the Covid restrictions are lifted. We hope to resume these as soon as possible. We will let you know when this happens. In the meantime we are continuing to work with local police and other bodies through the Ingol and Tanterton UNITE forum to help the local community.

Recent issues which have been raised include anti-social behaviour involving motorbikes and other vehicles as reported on the front page of this newsletter, and also parking outside Sainsbury's as reported above.

Another issue this year has been complaints about vermin. If you are aware of any problems with rats near you please report this to Preston City Council on 01772 906160. The more reports they receive the better, as this gives an accurate picture of where problems lie and how serious the problem may be locally.

Lancashire Police: **101**
Crimestoppers (anonymous): **0800 555 111**

Please note - the former Lea Police Station number of 203203 is no longer in use. Please call 101 for non-emergency police reports or call 999 in an emergency.
